

ENGPAC Miscellaneous Text Report (FEC Form 99), 9/30/2010

This responds to your August 27, 2010 letter regarding the Amended February Monthly Report filed by the Employees of Northrop Grumman Corporation PAC (ENGPAC) on July 19, 2010 for the January 1 to January 31, 2010 period. You requested clarifying information as to why the beginning cash balance on this report did not match the ending balance on the Amended 2009 Year End Report filed on February 19, 2010. Please note that we filed another amendment to the 2009 Year End Report on August 21, 2010, so the beginning and ending balances now match.

On September 20, 2010, we also filed additional amendments to the February, March and April 2010 Monthly Reports. On the prior versions of those three reports, the Column B amounts on Lines 7, 29, 31 and 32 of the Summary Pages were incorrect because of a software problem.
